TERMS AND CONDITIONS: Topsoils Inc., doing business as United Recycling, agrees to set a container at your (customer) site, pick up container from the customer’s site and recycle the materials at our recycling facility. For this service, it is agreed that the customer will pay per agreed terms. It is also agreed that the customer accepts full responsibility for any and all damage that is incurred to the container while it is in the possession of the customer. Customer also agrees to pay in full for any such damages. Customer agrees to hold United Recycling harmless for any damage or injuries that may occur to property, buildings, or persons as a result of a container being set at a customer’s site. Customer also agrees that should either party bring an action to enforce any of the provisions of this agreement, or to recover damages for the breach hereof, the prevailing party will be entitled to recover all reasonable attorneys fees and costs expended in connection with the action. Customer also agrees that United Recycling is providing for the improvement of real property and may lien the property pursuant to RCW 60.04.et.seq. In the event of default, United Recycling will add (35%) thirty five percent of any claim for collection costs pursuant to RCW 19.16.250 (18).

CONTAMINATED LOADS: United Recycling accepts only recyclable material including, but not limited to, construction, demolition, land clearing and yard debris. United Recycling will not transport household garbage, tires, treated wood, paints, oils, solvents, railroad ties, PCB’s, asbestos materials, monitors, TV’s or other items not deemed “recyclable”. If these items are discovered, we will ask you to remove them and/or your invoice will reflect a surcharge indicating the amount found.

DEMOLITION/RENOVATION: All projects that include the renovation or demolition of a structure require an asbestos survey and subsequent “clean air” permit from the Puget Sound Clean Air Agency. United Recycling cannot haul asbestos laden material. Please refer to the Puget Sound Clean Air Agencies web-site at pscleanair.org for further clarification.

Protect Yourself - Please Read: United Recycling will not transport household garbage, tires, hazard materials, fluorescent tubes, paints, oils, car batteries, TV's, monitors, asbestos containing materials or other non-construction, land clearing and demolition materials or other items not deemed "recyclable". If a container is "tipped" and any of these materials are discovered then United Recycling will surcharge this credit card as a separate charge to reflect the amount of material found. Please also note that the rear doors of a container must be lockable when United Recycling removes the box. DO NOT OVERLOAD the box. This means the material cannot stick up above the top rim. If United Recycling must "secure" an unsafe load then a surcharge will also be reflected as a separate charge on your credit card. If United Recycling cannot haul the load and must return on a separate trip then an extra trucking charge will occur.

Please do yourself favor by following these instructions. If you have any questions about what is acceptable please call United Recycling at 360-668-4300. Your signature below acknowledges acceptance of this disclaimer and subsequent charges to the credit card listed.
